[Salvation Army Fresno Citadel Corps](#) opened the Madera (Calif.) Family Service and Ministry Center at a new location March 20.

The service center will continue offering PG&E assistance, food, coats for kids, financial assistance for summer camps, and Bible studies for the Madera community. As of April 6, the ministry is holding Sunday morning services as well.

The center has also helped with assessments for the Adult Rehabilitation Center at Madera County Jail, and partnered with local churches reaching out to the homeless.
